Tablet **FORTEGE**[®] (Alarsin)

Jeevanti, Kamboji, Kuncha beej, Suddha Kuchla, Samudra Shokha beej, Vardhara beej, Ashwagandha, Laving, Pipar, Vachha, Kali-Mirch, Sunth, Chinikabab, Akarkara, Safed Chandan, Jayphal, Javantri, Vardhara mool

For **ASTHENIA** (nervous, muscular, sexual **FATIGUE**) an effective treatment with safe and simple dosage Keeps one.

• Fresh • Alert • Energetic

There is an increasing number of ASTHENIA (Fatigue) syndrome patients in daily practice. Stimulants, Tonics, Energisers, Hormones, Mood elevators and Sleeping pills etc. lead to hangover, drowsiness and false sense of well-being (Euphoria) and habit formation.

FORTEGE: offers positive advantages in management of Asthenia - Stress & Strain :

Neuro-Glandular & G.U. Systems:

Fortege ingredients help by toning up genito-urinary & neuro-glandular systems gradually.

Activates Metabolic pattern: Clinical experience shows FORTEGE gives excellent results by activating Neuro-Glandular system and hence metabolism.

G.I. System: Fortege improves digestion, assimilation and morning evacuation. Corrects mild constipation, flatulence and dyspepsia and thereby helps in decongestion of prostate.

Keeps alert & fresh: with Fortege treatment, patient starts his day with zest. Remains alert and energetic during the day, to attend to work. Goes to bed with confidence for relaxation or enjoyable sex life and sound sleep, to awake refreshed and alert next morning.

No vicious circle: Fortege does not create the vicious circle of Stimulation-Exhaustion-Depression, as is the case with stimulants etc., which leads to loss of confidence and chronic FATIGUE.

Sex Centers: Fortege breaks up psychosomatic circles at various levels and reduces hyper-excitability of higher and lower sex-centers, and these factors relieve 'Fatigue' and enable better sex performance.

4-6 weeks treatment with Fortege changes personality of a Fatigued individual to Fresh-Alert-Energetic human being to face with zest and confidence - Stress and Strains of modern Rat-Race.

DOSE

Fortege 2 tabs 3-4 times a day for 4-6 weeks. Then for regular use 2 tabs once or twice a day. Last dose one hour before bed time.

For MALE infertility FORTEGE

a true spermatogenic drug in Oligospermia & Poor Motility also improves sex performance that helps proper insemination

Repeat-Semen examinations after Fortege treatment show:

Fortege: • increases sperm count from 5-10 million/ml to 50-60 million/ml

• improves motility from 10% to 60%

• Increases quantity of semen volume from 0.5ml to 3ml or even more

Fortege: Safe, non-hormonal devoid of side effects of commonly used androgens

Dose: 2 tabs thrice a day for 3-6 months.

ENLARGED PROSTATE

• PROSTATISM • PROSTATITIS

Begin Prostatic enlargement latest reports show: In enlarged prostate **FORTEGE + BANGSHIL** Onset of relief within 7 days 2 tabs twice a day of each to be continued for 6 months or more

Fortege relieves prostatic congestion. Bangshil eradicates probable infection, relieves Burning micturition, improves Bladder control.

Combined use of Fortege and Bangshil:

• Tones up neuro-muscular Bladder control. • Minimises residual urine 'flow back' and 'back pressure' by reducing prostatic congestion. • Helps to maintain proper flow and stream during micturition. • Relieves hesitancy, urgency, precipitancy, strangury and Burning micturition. • Reduces Nocturnal frequency, thereby ensuring undisturbed sleep and gives a sense of well-being.

• Prostatic massage or Sexual intercourse or Masturbation. • In Enlarged Prostate: prostatism and prostatitis. • Urologists advocate Prostate massage or Sexual intercourse or Masturbation for draining out the debris from cystic spaces of prostate. • This helps to reduce bulk of the gland.

Bangshil & Fortege: are generic and general tonics and enable one to have normal sex life. This enables the elderly patients to have satisfactory orgasm and proper drainage of prostate. Fortege: has astringent properties and play the main role in reducing the prostatic congestion. Sense of well-being: Fortege and Bangshil raise body resistance provide healthy sense of well-being but no euphoria. This is a positive advantage in the management of patients with advancing age.

FORTEGE, BANGSHIL available at Chemists in PACKS of 50 & 100 tablets
